

Charging Your EV on RayDay

The [EV Caravan](#) is about sharing your enthusiasm for EVs! Below is the charging infrastructure available. If you do not require an immediate charge, please allow others to charge first. Once your car is charged, please drive it back to the EV Caravan VIP parking area to open up the charging station. A golf cart is available to follow you from Ray Day to your car and back so you won't miss out on any of the day's fun. Please call or text Stewart Massey 706-518-0751 if you'd like a ride!
